

# KEEPING AMERICA STRONG

PEOPLE WHO ARE BLIND ARE HELPING  
THE NATION FIGHT COVID-19

40

NIB associated nonprofit  
agencies manufacturing  
COVID-related products

3,780

People who are blind  
producing COVID-  
related products

1,580

Different COVID-related  
products available

Using sewing expertise to  
produce tens of thousands  
of face masks

Producing vinyl shower  
curtains for use as  
hospital bed dividers

Leveraging call center  
capabilities to help aid in the  
surge of unemployment claims

Partnering with plastic  
suppliers to manufacture  
face shields

Altering Army construction kits  
with components to build  
emergency field hospitals

Using cutting equipment  
to make protective  
hospital gowns

**PARTNERING** with local food banks

**VOLUNTEERING** with Meals on Wheels

**DONATING** face masks to local hospitals  
and nonprofit organizations

**HOSTING** virtual support groups

National Industries for the Blind is proud to partner  
with the government and private industry and do our  
part to keep America strong
